

Appraiser Resume / CSV – Nathan Bazzle, MCMEA, CSBA

Nathan Bazzle has over 18 years of business consulting experience and holds a National Master Certification in Machinery and Equipment Appraisal (A designation held by only 32 individuals in USA). He also holds a Certification as a Senior Business Analyst in multiple states. Our Parent Organization helps Businesses with all aspects of their Equipment / Machinery Assets including Value, Viability, Digitization, Liquidity and Disposal. Mr. Bazzle has personally been doing Machinery & Equipment Appraisals, Business Consulting, and Business Buy/Sell Enhancement since 2009.

Mr. Bazzle's knowledge of Machinery and Business comes from a vast array of personal experience, starting as a teenager growing up in the Kansas oil fields working for his Grandfathers small oil company, and then later transitioning into an electrician and even installing aeronautical instruments in small business jets at Cessna. Mr. Bazzle understands machines and the people who run them. In his mid 20's Mr. Bazzle took an interest in wireless communications and transitioned into the B2B sales arena for Western Wireless / VoiceStream (now T-Mobile) and later with Sprint Wireless, eventually moving through General Business Accounts, Government Accounts, Major Accounts, including added roles as Special Liaison to Engineering, in a few short years. Finding a knack for marketing Mr. Bazzle left that industry to become the Founder for an Appraisal Services startup where he learned the deeper aspects of owning a business. In the past 11 years Mr. Bazzle has branched out by founding multiple service / professional businesses (1 of which he later sold). Mr. Bazzle's background allows him to understand and easily work with every level of personnel inside all company sizes from small business, to large international enterprise level companies.

In 2005 Mr. Bazzle had the opportunity to directly apprentice under John R Harris, ASA, MCBC, AM&AA. Mr. Harris was at the time Director of the NEBB Institute and has personally trained over 1000 Machinery and Equipment Appraisers in the United States, Canada, Puerto Rico, Australia, Ireland, Saudi Arabia, and Singapore. During this time Mr. Bazzle honed his Appraisal and Business Consulting skillset, he also learned the intricacies of Business Buy/Sell Brokerage, Equipment Appraisal, and Equipment Brokerage during this time.

Mr. Bazzle currently specializes in helping companies manage their assets through Machinery / Equipment Appraisals, Strategic Business Consulting and Business Enhancement. These clients include Fortune 500, International Companies, Federal / State / Municipal Agencies, Banking Institutions, Law Firms, CPA / Accounting Firms, and companies of nearly every type and size.

His deep understanding of current business trends and how they impact a company allows him to give knowledgeable strategic business advice. He has been awarded the professional designation of MCMEA, and CMEA by the National Equipment Business Brokers Institute also the Designation of CSBA by the Society of Business Analysts. These organizations are made up of Trusted Advisors including Attorney's, CPA's, Business Brokers, and financial professionals. As a Certified Machinery and Equipment Appraiser, Mr. Bazzle is trained and compliant with the *Uniform Standards of Professional Appraisal Practice (U.S.P.A.P.)*.
